# **BIG PAYROLL FOR**

## Completes Warrants For July

Honolulu has a big payroll for to-morrow. All of the salaried officials, clerks and other employes will draw their checks, from Mayor Fern down to the office boy. All except the county, and city laborers who were paid on July 21 up to that time. County Auditor Bicknell completed the pay-roll today, including 387 warrants, aggregating \$23,810. "It was a great surprise to figure

aggregating \$23,810.

"It was a great surprise to figure up such a large amount," said Mr. Bicknell, "especially as it did not include laborers, but the increase is caused by the various new inspectors and other officials added by the recent ordinances passed by the Board of Supervisors." The work of compiling and drawing the warrants has kept the Auditor and his clerks very busy for over a week.
